To The Administration

The College pool has been shut down until improvements in the filtration system are made. The pool needs three times as many filters as it has now, as well as repairs to the pool structure and materials. The pool needs a complete renovation, including labor and maintenance costs. A pool of this size would cost in the neighborhood of $225,000, including labor.

Brother Murphy has been named Executive Assistant, Brother Murphy will be involved with projects in the northeastern portion of the country, including the development of new programs and initiatives with many well-known brands of name products (such as Yuban Coffee). Saga Service also conducts a student employment policy and relies heavily upon student evaluation. The service offers many options that are sensitive to the needs of Marist College students and the financial condition of the college.

The College Pool Closed

Brother Murphy Named Education Project Exec

Brother William Murphy, Director of the College's Education Project, has been named Executive Assistant to the President of Manhattan College, New York City. Murphy will be responsible for overseeing the College's Education Project, which includes projects in the northeastern portion of the United States, including those conducted at Harvard, Yale, Columbia, and other leading institutions.

Educational Projects is a private, non-profit organization that has the responsibility of administering the Education Project. Murphy will work closely with the college's administrators to ensure the success of the project. Murphy is committed to the development of educational programs and will work closely with the college's administration to ensure the success of the project.

Largest Budget Proposed For Coming Year

Brother Cornelius Russell, Controller, Marist College, indicated today that he would be presenting the largest budget in the history of Marist College at the annual meeting of the Board of Trustees scheduled for May 21, 1957. Total income is projected at $2,673,000, while Total Expense is projected at $2,902,000. Included in the income will be $2,323,700 from gifts, $106,000 from the sale of stocks, and $453,000 from the sale of bonds. The contributed services of the Marist Brothers are listed at $151,000.

Letters To The Editor

Dear Editor,

I think that the evaluation of a course should be considered an important part of evaluating our college's educational system. The evaluation of a course should not only be conducted by the students, but also by the faculty members who teach the course.

Sincerely,

[Signature]

Faculty Photo

Dear Editor,

I want to share a story about my experience in a course I recently took. The professor was very inspiring and his teaching style made the material much more interesting. I think that our college should consider developing more courses with similar teaching styles.

Sincerely,

[Signature]

Letters To The Editor

Dear Editor,

I want to express my appreciation to the faculty members who evaluated our college. It was important to have their feedback on the courses we are taking. I believe that these evaluations will help us improve our learning experience.

Sincerely,

[Signature]

Faculty Evaluation

Dear Editor,

I would like to commend the faculty evaluation system in our college. It is important for us to have a system in place that allows us to provide feedback to the faculty members. This will help improve the quality of our courses and ultimately benefit us as students.

Sincerely,

[Signature]

**Quo Vadis?**

In the last two weeks, I have been a member of the group of students who have been involved in the "Theatre Man of Year" award. I must say that our work has been rewarding. We have learned a lot about the business of theatre and have improved our acting skills.

**Black Power at MOTH**

No explanation is necessary for those who have attended the MOTH's spring concert. The Black Power anthem "We Want Power Now" was performed by the students in a dynamic and powerful manner. The audience was moved and inspired by the message of the song.

Students Gain Experience
At New York Mock Senate

In early February of this year, a delegation of 13 Marists, 11 of them students, went to New York to participate in the annual national Mock Senate, sponsored by the National Catholic Political Federation. This conference was held at the Pierre Hotel, and was attended by representatives of Catholic colleges from all over the country.

The Mock Senate is patterned after the real Senate, and provides a forum for students to express their views and participate in the legislative process. The students are divided into various committees, each representing a different state, and they work on bills and resolutions that are submitted to the Senate.

Several Important Bills Were Introduced.

During the conference, several important bills were introduced and debated. One such bill dealt with the issue of education, and called for increased funding for Catholic schools. Another bill addressed the problem of poverty, and proposed solutions to reduce the number of impoverished families. A third bill dealt with the issue of civil rights, and called for the end of discrimination against minority groups.

The bills were debated in the Senate, with each state's delegation presenting their views and arguments. The students were able to hear and learn from each other, and to develop their own perspectives on the issues.

Overall, the students found the experience to be valuable and educational. They were able to gain a deeper understanding of the legislative process, and to learn more about the issues facing our society. They left the conference with a greater appreciation for the importance of participating in our democratic system.
Looking Back

It's good to remember every once in a while—to look back and recall the things that have happened to us as a community and individually. Not to get sentimental, what's happened has happened—we just use the past as the source of history. But it may help some day if we remember, ourselves and our actions and know where and why we achieved or failed. It's like a part of this education we're supposed to be getting through.

38,395 miles in 89 hours, 40 minutes, and 37 seconds. This opened the door to a new dimension in sports as Marist fielded its first track team under the direction of Charles E. Barber. The team included a group of runners who ran an average of 10 miles a day. The weather was not exactly balmy, but the fact that they stuck to it during the heat and snow to achieve the feat will be remembered in the history of Marist athletics.

Midway into the basketball season saw the departure of two of the finest guards ever seen at Marist, Tony Powers and Rick McKeernan. It was a tough blow to the team, but they could have easily broken 1,000 miles had the weather cooperated.

Tony Powers and Rick McKeernan were two of the second period to assure the Marist men of the final beat of this annual contest. They led in their 1966 and 1967 M.V.P. races, and prepared for the weekend.

The 1967 intramural basketball season saw the Marist College Cross Country Team, coached by Mr. Robert Lewis, take first place in the Central Athletic Conference Meet and a victory in the Varsity 6th. The team journeyed to Cobleskill, New York for the Cobleskill Invitational Track Meet, which was sponsored by Cobleskill Agricultural and Technical College. The field consisted of fourteen junior colleges and freshmen teams from the upper New York State area.

Ed Walzer established a new school record when he took sixth place in the 440 yard run in 2:08.7, with a team time of 3:52.6. He also participated in the New York State Weightlifting Championships... - etc.

The 1967-68 basketball season came to a dramatic close on April 22 as the Rejects, led by Jim Clancy, defeated the Brownies by a 24-44 margin, before a capacity crowd at the Marist fieldhouse.

The Rejects trailed most of the game, but finally rallied in the closing minutes of the game. The game was won by a score of 67-64. Jim Clancy, the only returnee from the 1966-67 team, scored 20 points and was named the Most Valuable Player of the game.

In the final game against the Brownies, the Rejects played a game of strategy and outplayed their opponents to win.

The following Wednesday, April 25, the track team traveled to the Mohawk Valley Relays. The sprint medley, composed of Wally Abrams, Joe Locke, John Murphy, and Ed Walzer, finished 3rd in the finals; the JV team, composed of only five men, placed seventh. For the total point scoring, Marist, with a team of only five men, placed seventh out of the twelve competing schools.

Thindclads Finish Maiden Season

On April 21, the Marist Track Team journeyed to Cobleskill, New York for the Cobleskill Invitational Track Meet which is sponsored by Cobleskill Agricultural and Technical College. The field consisted of fourteen junior colleges and freshmen teams from the upper New York State area.

In the final event, Joe Dallan won with a time of 1:55.7, a new school record when he took fifth place in the 880 yard run. After feeling sick, Joe Dallan put up and hurled a remarkable one hundred and eighty foot try. The judges ruled it invalid, however, because the javelin had bounced once before striking the ground. This setback did not dampen Joe's spirit as he came back and threw the discus, 1991/2", to take first place and to break the old record which he set at the Governors-Marist meet of 1966/1/2/.

In a more serious moment of the Varsity Club—Faculty game, Coach René Petro ("outgoing" Chuck Howlett) on the way to the faculty victory. (One is quite sure of the exact score).
