Two-Day Seminar Argues Plans For The Seventies

Ed Timmes

Friday, October 24th marked an important occasion in the administration colloquiums in the next seven years. The summer months which was colloquium began at nine thirty "these chapters deals with the document prepared over the Messrs. James Biconti, Anthony Menapace of the Chemistry Department and consisting of Flynn, John Kelly, Robert Lewis, Thomas Wade, Theodore Stephen Cox, Nilus Donnelly, goals of Marist College. The next Two-Day Seminar consisted of five independently Seventies' Two Year (1969-71) programs for the future. The projections of personnel and chapter deals with the projected facilities needed for the fourth chapter discusses the as decision making in the last chapter: • • • expressed by a quote from the contributions of each group - the capitalizes on the unique knowledge of the faculty, and research by the Research Corporation, a foundation devoted to the Department has been named as the recipient of a grant in aid for The student who is working closest to Doctor Menapace on this special honor to Doctor Menapace that he was awarded such a large hopes to garner enough data to publish the results of what he has project is senior Neil Sondergaard. Eventually Doctor Menapace working on is entitled, 'The Mechanism and Scope of Organotin published three articles dealing with this area of Chemistry.

Menapace Receives Research Grant

Dr. Lawrence Menapace of the Marist College Chemistry Department has been named as the recipient of a grant in aid for research by the Research Corporation, a foundation devoted to the advancement of basic research. The project which Doctor Menapace will be working on is entitled, "The Mechanism and Scope of Organonmetal Hydride Reduction of Inorganic Halides." The foundation has awarded Doctor Menapace the sum of twelve thousand five hundred dollars to carry on the research project and the bulk of this money will be used for the materials needed to carry on this project.

The student who is working closest to Doctor Menapace on this project is senior Neil Sondergaard. Eventually Doctor Menapace hopes to publish the results of what he has learned or discovered in the course of his research.

Doctor Menapace has been recognized in an authority in the area of organometallic reactions due to the fact that he has already published three articles dealing with this area of Chemistry. The details of these were determined was explained to this reporter by Doctor Menapace. An application had to be made to the foundation explaining the scope and purpose of the research to be undertaken. The foundation then had to judge the projects that were submitted. Doctor Menapace was pleased with the decision and said that the money would be used in a most worthy of support. Therefore it is a highly competitive process which determines the distribution of the funds and it is an honor for the college and a special honor to Doctor Menapace that he was awarded such a large grant for this project.

NEXT WEEK: Results of CIRCLE Inquiry into Faculty Workshop

by Dennis Alven
This weekend Oct. 31- Nov. 2 Thoughts, Action and Communication (TAC) will sponsor a festival for the college students and the community. On Friday, Oct. 31 at 7:30 there will be a folk music concert at which the following will perform: Richard Bala (Mat), Kathy Lamb (Mit), Dave Budnez, of the town of New Paltz, a local folk singer and another singer who is not known at the moment. These performances will take place in the theater in the Campus Center. Immediately following at 10 P.M. there will be a touch party which is self-explanatory. Music will be by a group called Private Joke and His R.O.T.C. Band - members include Private Joke, Major Disaster, General Disorder and Corporal Punishment. On Sat. Nov. 1 from 10 A.M. - 10 P.M. there will be sale and exhibition of works of art in the Campus Center. Anyone having any art that he wishes to put on display or possibly sell is advised to please contact Rich Bala or Tom Zolba. The idea of this activity is to get students interested in the finer things of life. During the same hours as above John Witter will put on a multimedia environmental show. Considering Mr. Witter's talents you can assume it will be very interesting, different and original.

At 3 P.M. on Sat. there will be a poetry workshop and folk show for the second time in the theater. Because they are a professional group and therefore must be paid a stipend, a $5.00 admission fee will be charged. It is well worth it. Before the concert however, at 7 P.M. there will be poetry readings by Robert Lepin - a poet - for all those who dig poetry. Mr. Lepin is expected to present some of his latest original poetry to the audience. At present, Mr. Lepin is in the process of compiling a volume of original works.

On Sun. Nov. 2, the weekend festival will present the rock and folk concert - a six hour concert in the Place in the theater between 1-5 P.M. However if you really dig art so much you can go to the show for the second time between 10 A.M. and 5 P.M. All proceeds go to the Hudson River School Restoration fund headed by Peter Seger, Mid Hudson anti-pollution fund, and the Black Afro-American Brothers Association community Education Fund.

Christmas Tour of Orient

In the wake of the recent tidal waves of trips to foreign countries such as the U.S.S.R., Spain, and England comes the latest addition - Japan & Hong K. The tour leaves New York on December 28 and returns on January 10. Eleven nights will be spent in Tokyo, six nights in Kyoto and the final four in Hong Kong. Also, time may be adjusted for a visit to Hiroshima.

Two separate tour plans are offered, one costing $855.00 and the other costing $556.00. Anybody who maybe interested should contact John Zebatto in the Room 100 or Mrs. Landom of the political science department.

by Stephen Coox (right) rains an argument at Mr. Peter O'Keefe (left) and Dr. George Sommers listen pensively.
Calendar of Events
FOR THE WEEK OF NOVEMBER 3, 1969

If you would like your organization’s information included on the campus calendar, please contact the Campus Affairs Office, 7:00 A.M.-4:00 P.M., Monday through Friday.

TUESDAY - 11/11/69
1:00-4:00 P.M.
Sales Representatives for Northwestern Mutual Life Insurance - Mr. William da Silva, Gallagher, Placement Office, Donnelly Hall

WEDNESDAY - 11/12/69
10:00 A.M.-4:00 P.M.
Sales Representatives for Northwestern Mutual Life - Mr. Victor Gernau, Gallagher, Placement Office, Donnelly Hall

THURSDAY - 11/13/69
9:30 A.M.
American Studies Symposium - Prof. Tom Casey - Firenze, Campus Center

11:00 A.M.
Gaelic Soccer Mixer, Dining Hall, Campus Center

SATURDAY - 11/15/69
Saturday morning and afternoon, High School from New York City, College Theater, Campus Center

Saturday night, High School from New York City, Donnelly Hall

Sunday - 11/16/69
3:00 P.M.
Art Exhibit Opening Reception - "Creating a Community" - Regional Place, Blakely Library, Gallery Lounge, Campus Center

Tuesday Nov. 18th
7:30 P.M.
Singing Monkeys - Kings Point - Away

Saturday and Sunday - 11/15-11/17
Singing Monkeys - Cameo - Away

FOOTBALL FROM A "CIRCLE".
It looked as though St. John's had all the Marist College under control. With St. John's leading 23-14 at halftime, it seemed the Senators were on their way to their third straight victory. However, the Marist College team came back with a vengeance in the second half to bring the score to 28-27.

The Senators started strong in the first quarter, scoring 6 of the first 9 points. However, the Marist College team responded with a 12-6 run to tie the game at 14.

In the second quarter, the Marist College team scored 14 points to take the lead back to 23-14. However, the Senators were not to be denied, and they scored 13 points in the final 15 minutes to bring the score back to 28-27.

The Marist College team continued to put up a fight, but the Senators were able to hold off the Marist College team in the final minutes, securing their third straight victory.

The game was played on a beautiful fall afternoon, with the sun shining brightly over the field. The atmosphere was electric, with fans from both teams cheering loudly.

The Marist College team was led by their star players, who played with great intensity and determination. The Senators were led by their experienced players, who were able to weather the storm and come out on top.

In the end, it was the Senators' experience and determination that carried the day, as they won the game with a 28-27 victory.

The next game for the Senators is against the St. John's team, and they look forward to another exciting match.

BOOTERS BREAK ICE AT FAIRFIELD, 3-0
ST. JOHN'S HOLDS OFF VIKINGS, 35-26

Vikings Meet
Siena Saturday

By Kevin Donnelly
The powerful offensive team of St. John's visited Marist this Saturday and were part of a game that their visiting as they had to fight for a 35-26 victory to keep their record intact. The Vikings club that pulled an amazing upset with the help of two standout players.

With a new defense and with John O'Donnell's leadership, the Vikings have been a force to be reckoned with. After missing the Assumption interceptions by the Redman Vikings started. St. John's and Millan who took the ball to the 10 yard line. Mike Capone struck again in the second quarter as Capone hit Manning Bill Spens, Joe Scott, Ray Charlton, and Ray Clarke, and then outracing everyone to the end zone. It might be sore-armed Dick Hasbrouck breaking 3 tackles behind-the-line of scrimmage and might be Bill Dourdis ripping up the middle for 40 yards. It might be the powerful offensive team of Siena who pulled an amazing upset with the help of two standout players.

Defensive halfback Dean Geralt, with a last-ditch effort, makes a flying tackle to bring down St. John's receiver and prevent a sure TD.

Two Fakes Later
Great Game

By Joe Rubino
To the multitude who have come last weekend, I'd just like to say that you missed not only the best game of the year, but probably the best game of the year. Despite loss of high-scorer, playmaker Ken Hoppian.-*-, allowing Marist a shot on goal. Marist were Tom Mahoney (30:52), Joe McMahon (32:50), and Steve Sawicki, the first to break the thirty minute barrier and the third. Marist-was able to contribute* to the great Marist victory scored first at the 32:28, Marist score, and the .half ended with a score of 3-0. The Harriers ran very close to the finish line together.

On Wednesday, Oct. 22 the Cross-Country team was defeated by a super team effort displayed by Paterson State, one of the best teams in the Northeast.

Paterson State arrived on the Marist campus in frigid windy weather prepared to run with their team's fortune. Paterson first five men crossed the finish line together establishing a new meet record with a time of 26:41 erasing the previous mark of 27:20 set by Jim Longo of New Palte. Paterson State also placed 4th and 5th with times of 27:42 and 28:20 followed by the ten Harriers all of whom lowered their time significantly. Steve Sawicki, who placed first and eighth overall in 28:38 was followed very closely by Stonitsch of C.W. POST capturing his third. Marist runners ran closely and finished strong. Jim Longo was 10th (30:52), John Petraglia 11th (30:39), Tom McMahon 12th (29:53), Greg Nelson (30:57), Tom Gorczype (30:54), Mike Smith (32:33) and Charles Brown (32:03) and Mike Moran (34:41). This was the first time the Marist Harriers have had five men under the 30 minute mark.
