The positions of President, Second Vice-President, and Treasurer of the Commuter Union are open, according to Maria Troiano acting first Vice-President of the Commuter Union. Jim DeFeice, outgoing president of the Commuter Union and registrar of the college, said, "We need to find someone to take over the president position."

The Commuter Union is one of the representatives of students. It is totally up to the students to decide on the president. The big issue this week is the decision on Commencement, which is planned for noon Sunday instead of 2 p.m. on Saturday, to try and apprehend the person or persons involved.

Dwyer checked with President Lisa Foy, to see whether the change would be too costly, and Linus Foy, to see whether the assistant dean of students in the office of the registrar said, "Fred Lambert, Mr. Dwyer said, "isn't acceptable." Sue says she is against the "new time slot wouldn't be good for the resident students because the cafeteria would be crowded. Donna has had experience as secretary and vice president of her class in high school."

There is a rumor that the Commuter Union has been against it since it was a rumor. He said that he hoped to reach an "alternative, not ridiculous, as those being proposed."

Linus Foy, the incumbent second vice president in running unopposed. She said that she would like to see "that the commuter students get lost and in the crowd here." She would like to make the administration more aware of the Commuter Union. She says it is very easy to ignore the commuters. Sue says she is against the "new time slot wouldn't be good for the resident students because the cafeteria would be crowded. Donna has had experience as secretary and vice president of her class in high school."

The second vice president will be "in line for succession to the presidency." The duties of the treasurer will be "to oversee moneys of the Commuter Union" and "recommend policies or actions concerning finances to the executive board," said, "Treasurer." New Registration To Begin In Fall

By Susan Bress

"When the registration system for Marist College was introduced last fall, students complained that the system was confusing and inefficient," says John Dutertre, Marist College registrar. "Now that the registration system has been improved, most students are happy with the changes." Dutertre notes that the new system has made registration faster and more efficient.

The new registration system will be rolled out this fall. Dutertre says that the system will be easier to use and will allow students to register for classes more quickly.

Opinions On The Election Results

By Pat Lawless

The presidential election results were announced on November 8, 2016. The results were a surprise to many people, but others were not surprised by the outcome.

The decision for the presidential election was a difficult one for many voters. However, the results of the election were clear. Donald Trump was elected as the 45th president of the United States.

Citizens are encouraged to stay informed and engaged in the political process. The next election will be held in November 2020.

Wanna Play Winnie?

By Ken Holley

The Children's Theatre will hold auditions for its production of "Winnie the Pooh" on November 17th. Students who are interested in auditioning should contact the director of the play, Mrs. Vitale, for more information.

The play will run from November 24th to December 1st. Auditions will be held in the auditorium at 3:00 p.m. Interested students should arrive at 2:30 p.m.

"Winnie the Pooh" is a beloved children's story that has been adapted for the stage. The play is suitable for all ages and is a fun way to spend an afternoon.

"I want to see the Pooh go on stage and bring the magic of the story to life," said Mrs. Vitale. "It's a wonderful opportunity for students to experience the joy of theatre and to work with their peers."
Support Soccer

To the Marist Community:

Marist College is fielding the ECAC Metropolitan/New York "Met" soccer team this year. Your Regional soccer fan is looking forward to seeing the "Met" in action this fall. Are you?

Circle K

To the Editor:

One of the many purposes of the Letters to the Editor section of school newspapers is to make the students aware of what is going on around them. It is the usual reaction to write a letter to the editor if one feels that a student body is associated with a school or activity or that they have not been attended to. If this is the case, the CIRCLE wishes the Commuter students to keep attending their activities.

Thank You

To the Marist Community:

Soccer Team

Thank you to all who made the equipment drive successful. The annual equipment drive over the past two years has more than compensated for the last game against St. John's. This was the first time that our team has been able to sell all of the tickets we have put on the market. We are proud to know that our team will have the opportunity to continue its success this year. Thank you.

Melisa Sewell

Announcing

Tennis courts will be closed for the winter beginning tonight. With the exception of the team that won 5-3 against St. John's, the "Met" is still alive. We have made great strides in the past two years, and we are looking forward to the future.

Coach's Corner

Once a player, now director

By David Ng

It is common to hear "Go Red Fox!" and to see people wearing Red Fox gear on the marina or at the arboretum. But what about the organization behind the scenes? The Red Fox women's soccer team has allowed just 11 goals while scoring 35.

The Red Fox soccer club is known for its success in the Metro Atlantic Conference (MAC) and beyond. The team has a strong tradition of excellence, with numerous NCAA Tournament appearances and MAC championships. The Red Foxes are also known for their supportive fan base, which has helped fuel their success over the years.

The team's success is not limited to the field. In addition to their athletic accomplishments, the Red Foxes are committed to community service and outreach efforts. They have participated in a variety of philanthropic activities, including volunteering at local schools and hospitals.

The Red Foxes' success on the field is a testament to the hard work and dedication of the players, coaches, and support staff. Their achievements have brought pride to the Marist community and have inspired many to pursue their dreams of athletic excellence.

**Another Alum Coaches Too**

By David Ng

Salvatore Sannino graduated from Marist College in 1987 and has been working in the world of athletics ever since. He is now the head coach of the men's lacrosse team at Manhattan College.

Sannino's experience in coaching spans a variety of sports and levels. He started his coaching career at Marist College, where he was an assistant coach for the men's lacrosse team. He later became the head coach of the women's lacrosse team, leading them to three consecutive MAAC Tournament championships.

Sannino's dedication to coaching is evident in his approach to the sport. He believes in the importance of building a strong team culture and fostering a supportive environment for his players. He emphasizes the importance of work ethic, teamwork, and mental toughness.

Sannino's experience at Marist College has undoubtedly shaped his training and coaching philosophy. He has applied the lessons he learned there to his work at Manhattan College, where he has helped the men's lacrosse team to success.

**People you meet: "Cosine"**

By Tom McGuiness

If you've ever been to the West Side of New York City, you know there's a lot of "Cosine" around. The word is used to refer to people who are friendly or approachable.

"Cosine" is also a term used in mathematics to describe a function that approximates the cosine function. In this context, "Cosine" is a good fit for Marist College, which has a strong engineering program and is known for its willingness to collaborate with other disciplines.

Marist College has a long history of excellence in engineering, with notable alumni such as NASA astronaut James A. Van Workum and former New York State Senator Daniel J. Schaefer. The college's engineering program is highly regarded, and its graduates are sought after by employers.

**Marist Booters Set For Tourney**

By Tom McGuiness

The Marist College soccer team was recorded in their qualifying match to win advancement to the NCAA tournament. The Red Foxes are currently ranked 16th in the Mid-Atlantic Region and will face an opponent in the first round of the tournament.

The Marist College soccer team has made a strong showing in recent years, winning the MAAC regular season title in 2016 and making it to the NCAA tournament in 2017. The team is led by coach Dan Van Gilder, who has directed the program since 2008.

The Red Foxes defeated King's College, 3-0, last week to complete their regular season. The team has a record of 6-4-3 and has scored 25 goals while allowing 11.

Marist College is known for its strong academic programs and its commitment to student-athletes. The soccer team is a part of this tradition, and the players are dedicated to both their studies and their sport.

**Vikings Lose To Brooklyn**

By Tom McGuiness

The Vikings football team was defeated by Brooklyn College, 21-14, last week. The game was held at Van Cortlandt Park in the Bronx.

Despite the loss, the Vikings showed resilience throughout the game. They had several opportunities to score but couldn't capitalize on them, allowing Brooklyn to take control of the game.

The Vikings head coach, Frank Costello, was disappointed with the outcome but praised his team's efforts. "We played hard and fought until the end," he said. "But we just couldn't get the ball in the end zone."
