Van Wagner appointed swim coach

By TOM MCMURRAN

Larry Van Wagner, the new associate director of Marist Athletics, believes that swimming needs to be approached as a sport that is for everyone. He states, "The sport is a great way to get people involved in athletics and I think that it has a lot to offer in terms of both physical and mental health benefits."

Van Wagner supervised operation of the pool and conducted practice for the Marist women's swimming team. He will continue those duties for next season, which begins in January 2017.

Van Wagner was named as an assistant coach for the Cleveland State University women's swimming team in 2004. He was promoted to head coach in 2006 and led the team to a 14-0 record in 2010-11.

Van Wagner attended F.D.R. High School, where he was a member of the track team and football team. He played football at the University of Massachusetts before transferring to Marist College, where he was a member of the swimming team. He graduated from Marist in 2005 and received a master's degree in athletic administration from the University of Connecticut in 2007.

Van Wagner's appointment as Marist's associate director of Athletics comes as the Red Foxes prepare for their first season of varsity swimming. The team is scheduled to open its season on November 18 against Molloy College.

ECAC Tourney Marist Captures

By TOM MC TERNAN

It was a weekend that will be remembered as long as soccer is played at Marist. The Red Foxes, concluding the most successful season in their 14-year history, emerged with two dramatic victories to capture the championship of the ECAC Metropolitan Regional tournament held at Leondoff Field.

Marist edged Trenton State 3-2 in the loongest soccer game ever played by Marist when Zenone Naitza scored on a penalty shot for no. ason 17:17 remaining in regulation.

For the second straight year, Marist edged Trenton. The game was won at the 16:04 mark as Eric Metzger to his left. But Marist carried the lead just 8-7. Trenton later tied to pull even on a goal by Firmino Naitza that was set up by a pass from Zenone in the right corner.

Both teams could score in the next overtime period and two sudden death periods were completed before Marist had scored, having won their third consecutive regional title. Trenton was not in the championship game.

“Marist had to come in from behind in both games,” said Goldman. “They showed the resilience of the Marist students and the local community that we are ready to go here,” noted coach Howard Goldman. “All gives our players the feeling that at all times, we can step on the field and be ready to go against anyone.”

The Red Foxes were on the field twice to beat Trenton. The game was begun on Friday and was tied 0-0 at halftime.
