Construction To Change College Entrance

By Ernest Arico, Jr.

Construction plans have been approved by the New York State Department of Transportation, giving Marist permission to redesign all three entrances to the college.

The majority of the work will center around the north entrance of the college. The plans call for one way traffic and a new entrance at the intersection of Route 9 and Chapel Road.

The main obstacle, however, is money. "We need about $50,000 to complete the job and we're hoping the McCann Foundation can help us out," Says Donnelly.

In addition, the present main entrance will undergo revision. The plaza call for one way traffic only. No cars will be able to make a left hand turn into Route 9 between 4 and 6 p.m. Now with the right hand change it will be easier and safer," said Donnelly.

Aldrich Named Night Supervisor

By Ernest Arico, Jr.

Russell "Skip" Aldrich has been named new night supervisor by Philip McCready, director of safety and security.

Aldrich, a former security guard from Interstate Security, replaces Normonn Donnelly, who resigned last week to return to his former job.

Aldrich had previously worked three months for Interstate Security, a privately owned security force located in the town of Poughkeepsie.

Facilities Manager To Be Chosen

By Jim Kennedy

A new administrative position at Marist will be filled by the end of this week, says Anthony Campiili, business manager. The facilities manager, a "level two" position, which places him, under Campiliii, will oversee the "development and coordination of full and efficient usage of all campus facilities." The job description also states that the facilities manager will receive a salary between $17,000 and $21,000 per year.

The five applicants for the job, which "will become a right arm of the business and financial aspect of the college," says Campiiliii, are members of the college community. The names of the committee members are not definite.

The facilities manager will also supervise the director of maintenance, director of security, and director of food service.

Car Broken Into, Security Help Hired

By Rhoda Crispell

A car was broken into and a citizen's band radio and antenna were stolen sometime Monday night or early Tuesday morning at 1,400 River Road. The ad did not become aware of the break-in until Tuesday morning.

Cready said that he has been in touch with security at the Culinary Institute and Dutchess Community College and they have experienced similar trouble.

College To Sponsor River Day

The College Executive Board consisting of Anthony Campiiliii, business manager, Louis Zarev, academic dean, and Edward Waters, vice president, approved plans Tuesday for a college-sponsored River Day to be held Tuesday, April 13. The River Day will be co-sponsored by the C.U.B., student government and Interhouse Council.

According to Lisa Voerman, vice president of the C.U.B., "the purpose of River Day will be to provide an opportunity for a spring celebration with the elimination of destruction."

Andrei Green, president of student government, said, "we're trying to make River Day a day for the whole college, and not just a select few as it has been in the past."

A band is scheduled to play in the quadrangle square. Food, located in Pleasant Valley, New York.}

A band is scheduled to play in the quadrangle square. Food, located in Pleasant Valley, New York. Therefore, there was no need for a "special event" for the band.

The main obstacle, however, is money. "We need about $50,000 to complete the job and we're hoping the McCann Foundation can help us out," says Donnelly.

In addition, the present main entrance will undergo revision. The plaza call for one way traffic only. No cars will be able to make a left hand turn into Route 9 between 4 and 6 p.m. Now with the right hand change it will be easier and safer," said Donnelly.

Aldrich also stated that security guards should wear uniforms. "I believe uniforms would be a good idea because it adds dignity and respect," he said.

Aldrich also said that security guards should wear uniforms. "I believe uniforms would be a good idea because it adds dignity and respect," he said.

The job description also states that the facilities manager will receive a salary between $17,000 and $21,000 per year.

The five applicants for the job, which "will become a right arm of the business and financial aspect of the college," says Campiiliii, are members of the college community. Their names are not released.

Campiiliii said the job was not advertised "outside the college, because "we felt we had the talent to do the job from within."

The purpose of the committee was to evaluate both the course and instructor. Honan says the job will be "done professionally, and he didn't think the committee could do justice to the attempt."
An Offer Too Good To Refuse

To: Joe, Jane

From: John Smith, Marist College

Subject: Offer

Dear Joe, Jane,

This is an offer that you cannot refuse. We are offering a special discount on our products and services. If you accept this offer, you will save a significant amount of money. Please consider this offer carefully and make a decision that is best for you.

Sincerely,

John Smith
Marist College

Death By Fire

Dear Editors:

In the recent articles in the Student Union News about April 8, 1976, a fire in a fraternity house on campus at Marist College, Saratoga Springs, was described. This fire burned the house completely, causing serious injuries and loss of life.

The purpose of this letter is to express my concern for the safety of all fraternity members and to suggest a change in policy regarding fraternity activities. The fraternity system has a long history of relying on tradition and ritual, but these practices can often lead to dangerous situations.

I urge the administration to take immediate steps to ensure the safety of all fraternity members. This includes regular fire drills, proper training, and the establishment of safety regulations.

Sincerely,

[Name]

Rower Top Georgetown In Delayed Race

By Tom McTernan

After a delay of some six hours due to strong winds and high tides on the Hudson River Saturday, the Marist varsity lightweight crew team finally put their shell in the water shortly after 6 p.m. They went on to defeat highly-regarded Georgetown in what was supposed to be a three-team race. But Columbia, the third entrant, refused to wait for the elements to change and had left before the race.

"Both crews were affected by the wind," said coach Bill Austin. "But I'm happy we were mature enough to row well after waiting around so long." The Red Foxes took a slim lead at the start and opened the lead to a full length of 1200-1200 meters. They gradually increased the margin from there and crossed the finish line ahead by 3:17 lengths. Their time for the 3000 meters was 5:30 while Georgetown was clocked in 5:37.

Wanted: Athletes For Awareness Day

By Tom McTernan

The annual "Awareness Day" sponsored by the Office of Special Projects will be held on Wednesday, April 27, in the program on campus will be various activities such as long-distance relays, softball games, and wheelchair races and basketball games. Participants are needed to make this program a success. Anyone interested in taking part in the athletic events should submit his/her name to Joe Hines, Director of Special Projects, in room 165 Chippewa. DAVIS NAMED ATHLETE OF WEEK

Mike Davis, a sophomore from Poughkeepsie, has been named Marist College Athlete of the Week for the week ending April 3.

The Red Foxes took a slim lead after the Red Foxes' 21-5 trouncing at the hands of New York City College. "The visitors took advantage of a mixup in field positions during the game," said coach Joe Augustine.

Considering this was their first in the Knickerbocker Field. Since that game was also a varsity and freshmen division, the lightweight races in both the varsity and freshmen divisions. The lightweight crews will be in action this weekend.

NOTES FROM THE SPORTS DESK:

The spring sports schedule got off to a rather disappointing start. There are forms available in Room 219 Fontaine Intramural Council meeting has been postponed until Monday, April 12 at 5 p.m. in Room 3A Fontaine.
