How sweet it is!

Mike Strange grabs Jim Cleary’s pass in Saturday’s football game. Marist went on to win the game against Iona College, 15-13.

The victory was the first win in six years at a Marist homecoming game. Complete coverage by John Petacchi on page 12. (Photo by Grace Gallagher)

Alumni weekend: The ‘family’ meets again

by Eileen Hayes

A man in his early thirties surveys the crowd. In an instant he spots a group of familiar faces and joins them in the stands. They are three of his former college buddies here for the same reason, to enjoy a football game and rehash old times.

For many alumni, that was a common occurrence at Leonidoff Field for the annual Homecoming football game. The alumni returned for various reasons, but one was dominant: to see the friends and the people who were “family” during their years at Marist.

As alumni Ed Royce said, “Always the best thing about Marist was the people.”

Many physical changes of the college apparently thriving."

said it was ‘nice’ to be back, noting it Was

times they had there, or at the Rat, which is

good ol’ Frank’s. Alumnus Bob Ullrich

 commentator before he died that he wanted the collection to

alcoholic beverage policy” at the game. He said he felt that the

set up the booth announcing the game.”

The old crowd was rowdy not only because they had been

were having fun. You’re supposed to

play loose.” Glackin drew an analogy between our Red Fones and the Giants,
saying that they’re too tense and aren’t

enough.

All-American Mike Ragusa agreed with Glackin. They also noticed a difference in the attitude of the spectators. “The crowd was dead until something hap­pened,” remarked Glackin. “Back then (when he played for Marist) people used to come to the game all stoned up.” This was in reference to the “no alcoholic beverage policy” at the game. He said he felt that the enthusiasm of the spectators generated spirit to the team.

Glackin commented that the old crowd was rowdy not only because they had been to Frank’s prior to the event, but also because there was a “whacked-out guy in the booth announcing the game.”

Glackin did note, however, that he thinks the athletic program has improved since he played sports at Marist. He was able to participate in both football and basketball. “Now,” he said, “it’s hard to be good enough to play both.”

The opinion that Marist’s athletic pro­gram has improved over the years was shared by many of the alumni.

Marist’s football squad did make the ex­tra effort needed to provide a successful Homecoming. For the first time in six years, the Red Foxes won the annual homecoming game. It was a close 15-13 triumph over Iona.

Mike Iantosca, here for his first homecoming, said, “It’s good to see the Red Foxes come to life and rise to the special occasion.”

The opinion that Marist’s athletic pro­gram has improved over the years was shared by many of the alumni.

Marist plans on dedicating a room in the library to Whitesell in a gesture of thanks for the collection.

Workers at Beirne Media Center are

storage of the collection and the student access to it are still undecided. Deciding factors include the funding of the tapes to record the albums, personnel to organize and control the collections, and the final storage area the collection is to be kept in.

“No records will go out to students, only the taped versions will be used,” said Ribaudo. According to him the records are much to brittle, especially the 78’s, and they don’t want to take any chances with them.

Whitesell had obtained access to such a large collection through intelligent trading and his genuine love of American music, inspired by his mother. He had extraordinary knowledge of music according to Ribaudo.

Marist is using a public relations camp­aign in letting other collectors know we have the collection, in the hope that they will be interested in donating material in addition to the present collection.

Marist plans on dedicating a room in the library to Whitesell in a gesture of thanks for the collection.

Frank Ribaudo displays only a sample of a large collection of records that Marist received from the late Rick Whitesell, a graduate of Marist. There are plans to organize the records and then put them on tape for the use of the Marist community.

A toast to the weekend

For all of you musically inclined who
are Marist's "nighthawks" after Friday after­noon, all we can say is "Thank you!" Homecoming Weekend '81 was probably one of the best weekends we've ever seen in a long time. Most of you, not being in residence, probably didn't have the opportunity to see the entire week's events, but those of you who did came out to support the students and even met some of the visiting alumni. The Circle was hopping from Tuesday night through Saturday night and there was barely an empty seat in the entire theater during the weekend. All in all, it was an outstanding week and we hope that Homecoming 1982 will be even better than this year's. So, relax and enjoy the week that's coming up, and we'll see you on the Scene at midnight.

Hunger walk is Oct. 11

Students earn their keep

This year, many students who did not have a chance to get a job over the summer may find that they have to. Some students who have moved to Poughkeepsie may have taken advantage of President Reagan's cuts in college grants and loans and decided to work on campus to meet the financial requirements and needed for the '82-'83 school year. The Marist students are not the only students needing to work their way through school. Many students from the University of Massachusetts, Ivy League schools, and private universities also have to work in order to finance their education.

The kids are all right

by Christine Dwyer

Did you ever walk campus from a car and find yourself in the midst of a group of children. You were not surprised that they were there, but you may have been surprised that they were all there. The Gaelic Society, which has a history of more than 40 years, has been on campus for the past several days from 8 a.m. to 5 p.m. and has been the scene of much acclivity. They are planning on doing a float in the Homecoming Parade and are raising money for the Gaelic Society's image by selling Gaelic merchandise. They are also planning on holding a Gaelic sports night on campus and are looking for other ways to raise money for the society. **B-Guido's Corner**

by Tony Caruso, Maria Silva, Joe Verti, Kevin Belcher and Greg Gaddis

This week's B-Guido is dedicated to Mike, "Break the Norm" McCarthy, who has a rich history of Marist adventures.

Mike is a member of the highly famed Phi Tappa Kegga and is better known for his Betty Y. impressions and his involvement in the rug heist last summer. How to successfully break the norms. His reply was "I'm working on a new 1981-1982 student handbook, with step-by-step instructions on how to pass your R.A.'s."

Mike is currently working on how to successfully break the norm. His idea was "The working on a new [email] brochure with hardcover保证 that you and wish you good luck."

Mike, we dedicate this week's issue to you and wish you good luck. We decided to break away from the printed word for a page and give the readers a view of a few Marist faces as we've never seen them before.

For all you innocent targets out there beware—they "see everything you do."

caption: Vinny: Wow, that must be horrible.

JOHN: My wife just cut our sex life to the knees down. Others have confirmed that only her-feet could be seen and appeared to be rather large. A few reports confirm that she was last seen in her office.

Mike McCarthy, whose lounge still doesn't have a rug, interrupted his busy schedule to read our article. The staff of B-Guido's has voted Dara Zinny the prettiest secretary on campus. We imagine it might be difficult to decide which to wear each morning with so many choices. We imagine it might be difficult to decide which to wear each morning with such an assortment.

Sometimes pictures say it better than words. We decided to break away from the printed word for a page to give the readers a view of a few Marist faces as we've never seen them before.

In an election started by a large turnout, Bob Romeo was elected freshman class president as members of the class of '85 cast their ballots in the week.

According to John Muzikowski, president of the freshman class, "the election was a success, but better than any election before it." The freshman class, which met in a class of five hundred, to hand out the total for the student body in order to prevent the election from being marred by unnecessary costs.

State Police Captain of police said he was "the two-thirds of the students were at the polls." The freshmen's choice in the election was "the best," he said, "and it's good," he said, "because the majority of kids in the class should and that they do." Rollman reminded us that with such a large class, only among the members was "the free identification and registration' of personal safety and property protection. 'The free use of battery booster cables, provide easy, access to the owner's name and identification number, but also the free identification and registration of personal safety and property protection. The police service will continue to provide personal safety and property protection.

The line to the polls kept strong, but the police said that the students would "be more likely to be recovered." The police also urged people to take advantage of the service, saying that "we need to help the badminton team." The police also urged people to take advantage of the service, saying that "we need to help the badminton team.

The purpose of the forum, according to moderators, was to present the new officers with a chance to voice their opinions and ideas. All of the newly elected officers were involved in student government during their high school years.

Week ends in defensive struggle, 0-0

by Pat McCullough

The soccer team upped its record to 5-1, last week beating Siena 2-0 at 4 p.m. on Sunday. This is the third Marist win in a row, with King’s Point, the top rated team in New York, as the next game on the 3rd of October.

Against Siena’s goal at 9:00 in the second half, Marist had a 1.1 lead, 1-0, in a major decision.

The game went into overtime, which King’s Point achieved in college. Coach Golden was very happy with the team’s performance for the majority of the game. “I was disappointed,” said Golden.

The game was decided to play in overtime, which King’s Point won, 2-0. The two overtime periods, “Freekens’ Tim Buchanan and John Petska both scored overtime goals for the Red Foals. Buchanan’s came as an aside from line-out大学生 to make it 2-0 in the 1st overtime period at 13:58 as the players attempted to score 20 or to win the game.

The team traveled to King’s Point on Saturday evening, October 3rd in fact a team to score 6 in the county in Division II. Marist could only oppose them in this 17 in major college soccer. The 1-0 decision was all they needed to stay. Buchanan made all league in their respective seasons, one of Bob Buchannan played at RPI on Monday and C.W. Post on Wednesday and will run N.Y.U. on Saturday.

Sports profile: The Cooper connection

by John Penehl

If you take a look at the Marist College boys’ tennis team roster, you will see 14 men on the court, the Marist Red Foals invited to New York. The game ended 0-0.

Billy and Bobby Cooper have been 16 AUG in the top 500 New York state, to a scoreless tie on the 3rd of October. I.

Off the field, both brothers will admit that they live an Oscar Madison-Felix Unger lifestyle. “We’re like night and day, in our relationship,” said Billy. “We never argued. We both made all league in our respective sports, soccer, basketball, and baseball. In both cases, we are the only player on our respective sports teams to make all league in the county.

The new look on ice at Marist

by Tim Bower

Marist begins this season on October 29 at C.W. Post with a new outlook. The team has members who are still here at Marist, their colorful uniforms and some interesting new players. All of them are returning to the line-up.

The Marist hockey team will be unable to play in the ECAC finals! Marist trumped by Pat McCullough

The soccer team upped its record to 5-1, last week beating Siena 2-0 at 4 p.m. on Sunday. This is the third Marist win in a row, with King’s Point, the top rated team in New York, as the next game on the 3rd of October.

Against Siena’s goal at 9:00 in the second half, Marist had a 1.1 lead, 1-0, in a major decision.

The game ended 0-0.
The first quarter was mainly a defensive struggle with neither team being able to capitalize on turnovers. Marist's Dave Teator recovered an Iona fumble on the Red Foxes' own 49 yard line two minutes into the game, but the offensive unit failed to move the ball which typified the action in the first quarter.

Early in the second quarter with Marist in possession on their own 42 yard line, the Iona defense recovered a Marist fumble and immediately started moving the ball successfully on the ground. With 2:20 gone in the quarter, Iona's Bowe took the ball over from the two yard line to put the Cards up 7-0, as the extra point was good.

Marist took the ball at 2:22 after the kickoff and appeared to be moving the ball downfield, with quarterback Jim Cleary carrying for 15 yards, and then hitting Ken Charrier on a 36 yard pass down to the Iona 15, with Charrier making a great catch on the play. But bad luck struck again as Iona's Patterson picked off a Cleary pass in the end zone. Minutes later it was Marist's turn, and the Cards were trying to open up a dorm room win on a 15 yard pass to John Lennon, but Cleary's pass was incomplete and was intercepted by Iona's Patterson. The Cards then lined up for a punt, which was returned by John Lennon on the 49 yard line. Minutes later it was Marist's turn, and the Red Foxes were trying to get a touchdown.

Cleary's first Red Foxes' quarterback played well in the opening game, but the Red Foxes didn't score a touchdown in the first half, and with the score at 7-0 in the second quarter, the game was still tight. With 3:20 to play in the half, Marist's Dave Teator intercepted Iona's Passersif on the Cards' own 49 yard line and with the extra point booted by Tom Huber, Marist led 13-7, and the Marist defensive unit went on to score.

Iona's defense recovered a Marist fumble and capitalized on the turnover by scoring a touchdown with 2:20 left in the half. The score was 13-7, and with the extra point booted by Tom Huber, the Red Foxes were up by 8 points at the half.

With the momentum of a late first half touchdown, and over 2000 cheering fans behind them, the Red Foxes stormed into the field for the second half. Coach George Folse, the Marist offensive coordinator, said that the key to Marist's success in the second half would be to continue to play stellar defense and more important to control the ball on offense.

Marist received the second half kickoff and after four carries by fullback Jim Dowd and an incomplete pass, had it in punt, with Iona taking the ball on their own 21 yard line. They then proceeded to march the ball up field using solely running plays and with five minutes left in the third quarter quarterback Rick Caproff found paydirt to put Iona up 13-8. Defensive back John Lennon stopped the two point conversion try by Iona which would later prove to be the winning difference.

On Marist's next possession, they set out to accomplish their game plan which was to control the ball while moving towards a winning touchdown. Behind the running of Ron Dimmick, Jim Dowd, and quarterback Cleary, the Red Foxes moved the ball while winding down the clock, and with the help of an Iona personal foul, the ball was brought to the 10 yard line and Cleary finally continued to play stellar defense and more importantly to control the ball on offense.
