Two Marist Students Join Lawyer
Bring "Nader's Raiders" Concept To
Marist Year At Home

By Ray Saluga

Seventeen members of the freshman class at Marist have declared their intentions to be candidates for class office. The first step in the nominating procedure began yesterday when these juniors circulated petitions to support their implementation.

According to the Student Government Constitution, there are seven petitions available, five of which compose the class Executive Board, along with the two representatives to the Student Congress.

For the first time in memory, every position was contested, eliminating the need for an abstention vote.

Active campaigning began Sunday afternoon at 3 p.m. The campaign will continue until the election, which is planned as Wednesday, November 17. The polls will be open on Monday and Tuesday.

The balloting will take place in the Chapin Cafeteria.

A majority of the candidates have expressed a willingness to present their views and answers to questions at 9:00 on Monday evening in the Campus Center.

Poli Sci Petition

By Tom Tobin

During the past week student members of the Political Science Department have been circulating a petition for an increase in the department. Currently, there are only two full-time faculty members, Louis Zucchero and Mrs. Carolyn Lurain. There are now approximately eighty Political Science majors, only seven of whom are full-time faculty members. Thirty fresh- men majors were accepted this year, which is a considerable increase for the years ahead.

With limited faculty, priority must be given to the department field which often results in the exclusion of interested students. The variety and number of courses demanded must be restricted because of a lack of time and manpower.

The organizing this petition wish to bring about an expansion in curriculum and in the number of faculty members.

Joan of Lorraine Set
The stage is set and the final scene is ready in the Goldsmith Theater. The film "Joan of Lorraine," directed by Mr. H. M. Bishop, is being advertised in the School's production of "The Merchant of Venice." The film features the story of a French heroine who fights for her country during the French Revolution. It is directed by Mr. H. M. Bishop and was shot on location in France. The film is currently being screened at the School, with tickets available at the box office. The School has organized this event in order to raise funds for the school's annual charity drive.

On Security
Although there was an article on security in the previous issue, we are still not sure if it was comprehensive enough. The article did not cover the function of security in the School. We need to know the function of security in the School.

Letters to the Editors

Exploitation of Africa

The Nationalism of Africa

Prin. Ronald Pearson is in charge of the Nationalism of Africa course. In his class, students learn about the history of African nationalism and the struggle for independence. He is known for his engaging lectures and his ability to make complex ideas accessible to students.

Social Attitudes

Social attitudes are not just a matter of decision-making, but also a reflection of our personal experiences. We are influenced by the attitudes of those around us, and our own experiences shape our perspectives. Understanding social attitudes is crucial for building a harmonious community. This section will explore various aspects of social attitudes and their impact on our lives. We will examine the factors that influence social attitudes and the ways in which they are formed. Through this exploration, we will gain a deeper understanding of the role of social attitudes in shaping our world.

Circle Editorials

Constitutional rights are not just about freedom of speech, but also about the rights of all people to be free from discrimination. This section will examine the importance of constitutional rights in a democratic society and the challenges we face in protecting these rights. We will explore the role of government and civil society in ensuring that constitutional rights are respected and protected.

Fielder

The need for a more just and equitable society is a pressing issue today. This section will discuss the importance of social justice and propose solutions to achieve it. We will examine the root causes of social injustice and explore strategies for building a more just and equitable society. Through this discussion, we will gain a deeper understanding of the need for social justice and the steps we can take to create a more equitable world.

Turkey Trot

The Turkey Trot is a popular event in the school community. It is an annual race that takes place in the fall. Participants can choose to run or walk, and there are categories for both men and women.

Kapt. Bill

Kapt. Bill is a volunteer officer who works with the school's security department. He is known for his calm demeanor and his ability to handle situations with professionalism.

Turkmenistan

Turkmenistan is a country located in Central Asia. It is known for its rich history and culture.

Constitution of Africa

The Constitution of Africa is a document that outlines the principles and values that guide the country's governance. It is a fundamental document that defines the rights and responsibilities of its citizens.

The Nationalism of Africa

The Nationalism of Africa is a course offered at the School. It explores the history and development of African nationalism, as well as its role in shaping the modern world. The course is taught by Prin. Ronald Pearson.

Social Justice

Social justice is a concept that refers to the fair and equitable treatment of all people in society. It is a fundamental principle that underlies the operation of a just and democratic society.

Vikings nip Norwalk

Davis Sparks Come from Behind Victory

The Vikings returned home last Saturday to face a tough Norwalk Community College team and were forced to make a dramatic comeback from behind victory as theOUgars became the fifth Viking victim of the season. The final score was 20-17.

With top ranked Jonas losing to Westchester, the Vikings should move up in state and national polls while their chances for a bowl bid were greatly bolstered.

The Vikings were paced by Workhorse Nigel Davis, whose offensive output (210) nearly tripled the total production of the Cougar offense (110). Davis carried 37 times for two touchdowns, 211 yds, 11 first downs and also threw a 72 yard touchdown pass to Tim Murphy, Murray Milligan picked up 15 yards in 12 carries for a 1.0 rushing average.

While Davis was providing the offensive punch, the Viking defense held Norwalk to 20 yards rushing and 1 passing. Both of the NCC touchdowns came on non-offensive drives. Their first score came on a 39 yard kickoff return by speedy Jonas Lianes. Their second score came after an interception inside the Viking 38. Apart from those two plays it was all Mariot.

The Davis was early in the second quarter. After a fake punt attempt was stopped by Billy Owens and Ken Xian, the Vikings gained possession on the Cougar 23. Davis and Milligan got out 30 yards between them before Davis took it around right end for a 2 yard sweep. The P.A.T. after this score put the Vikings up 7-0.

After an exchange of punts, Mariot scored the game's first touchdown on a 3 yard run to put the Vikings up 14-0. The P.A.T. after this score made the score 14-0 and the 250 pound freshman Marriot should have been stopped and threw to Tim Murphy who was all alone at midfield. Murphy then ran unimpeded the last 20 yards to complete a 70 yard scoring completion. Mariot also kicked the longest pass play of the season, a Jim Wilkens to Mike Cassidy scoring strike that netted 49 yards against Joplin two weeks ago.

With the score 14-0, Fred Krause kicked off to NCC's Jon Lianes. Lianes returned the ball on the Viking 24. Clashed tacklers, another then cut to the sidelines where he outran the remainder of the Vikings. Quarterback Joe Anderton was his tight end Gary Grubers for the two point conversion. At the half, it was the Vikings 12-NCC 2.

The third quarter was an excellent performance by the Viking defense. Defensive lineman John Sullivan, Russ Humes, Kevin, 39, Andre Wofford and Jerry Johnson consistently pressured Andre Anderton half of the time. Andre was held to only 4 completions in the third quarter.

In the third period, the Vikings threatened again. After Davis broke through the line and skipped and jogged for 30 yards before he was tripped up behind the line by the defense. Both plays the Vikings were unable to crack the Viking defense.

Another Viking drive was halted inside the 20 on an exchange fumble after two penalties were assessed against the Vikings.

Several minutes from Davis to Cappello was short and kicked of by a Norwalk linebacker on the Viking 25.

Ends John Sullivan and Joe Johnson led a defensive charge to drop the Cougars quarterback for a 10 yard loss to the 30. But on fourth and 9, Andre shafted punt and Ray Williams cutting across the field and fired a perfect strike which Williams carried to the 3.

On the next play Andre missed a block for the go ahead score. The P.A.T. was also good as Norwalk took a 15-13 lead with four minutes to go in the final period.

Don Paffen then returned the ensuing kickoff to the Viking 36. After two good ground plays Norwalk's 12 yard first down and a 20 yard pass to Petross, Norwalk scored with 0:39 to go on a 1-0 yard touchdown by Mike Cassidy for the final score.

For the first time in four years the Soccer team finished with a 3rd place record. They ended the season with 6-6-1 record.

The last week of the season was unsuccessful for the Foxes as they lost to both Buena and Newburgh State. During the two contests Lou Hajas and Tim Trotta scored goals.

The analysis of the season showed the Foxes were losing their opener to Sacred Heart, which was defeated by Buena and Newburgh State.

The next game against Worksboro Community College was originally lost but was declared a victory as the result of Western Connecticut's use of ineligible players.

The first league game of the season was played on a muddy Bloomfield field. The Foxes played one of their best games of the year and won 4-1. After losing to perennial league champions Kings 1-0, the Foxes rebounded with an identical 1-0 victory over highly regarded Fairfield. Next it was another Parcels shutout over Maritime College 3-0. The Maritime game was the finest exhibition of the season as the offense controlled the tempo of the game while the defense turned back all of the Marriot scoring efforts. Pete Walzak, Charles dePerin, and Bill Petross scored for the Foxes. Tim Trotta scored the only Marriot goal as they fell to power-routed Brooklyn 3-1.

Next week the Foxes travel to New York to face Bard College, a highly ranked team in the league.
